

UCR Help - Creating an Arrest Under 18 Form

Completion of this form is required if you selected "Activity" for the Arrest Under 18 form when creating the corresponding Return – A. (The selection table is located at the bottom of the Return-A form.) If "No Activity" was selected when creating the Return-A, this form is not required and will be so indicated in the table at the bottom of the Return – A Form.

The following steps should be followed to create an Under 18 Arrest Form:

1. At the UCR Welcome Screen, click **"Enter UCR"**. Before an individual can access the UCR website or create a new report, the agency and the agency's designated users must be registered with the MSHP UCR Program Office. After registering, they must be approved by the MSHP UCR Program staff. Once approved, the agency's authorized users can submit monthly UCR data to the central repository through the website. For more information on this subject see Registration.
2. Enter User Name and Password. To enter the UCR website, an individual will need to enter the User Name and Password assigned to them by the MSHP UCR Program staff. Type the letters just as they were assigned to you, as the user name and password are **case sensitive**. If your User Name was registered as "BILL" and you type "Bill" the system will not accept your user name. You must type it exactly as registered.

Note: The User Name and Password are assigned to authorized users at the agency by the MSHP UCR Program staff. The user name and password used for accessing the UCR website may be different than those used to access the computer or network at the agency.

After successfully entering your user name and password, you will be taken to the UCR Homepage (shown below.)

Show Offenses Table

Suspicion is not a valid arrest code in Missouri and should never be chosen.

8. A table will then be displayed allowing you to enter detail information for each offense chosen in the previous step. The user should ensure the totals for age groups equal the totals for race for each offense that is entered. If the totals do not agree, the form cannot be approved.

NOTE: All fields must contain a positive number before you can save the form.

CLASSIFICATION OF OFFENSES	SEX	AGE						Total Under 18	RACE				
		Under 10	10-12	13-14	15	16	17		White	Black	American Indian or Alaskan Native	Asian or Pacific Islander	
Curfew & Loitering Law Violations	28	Male											
		Female											
Total			0	0	0	0	0	0	0	0	0	0	0

9. When you have completed entry of the supplemental data, click the **“Zero-fill Remaining Fields”** button, located at the bottom of the page. Before a report can be submitted to the UCR Program Office all the fields must contain a value. To ensure all fields have a value, a user should click the “Zero-fill Remaining Fields” button. This automatically puts a zero in all empty fields.
10. If desired, you may click the **“Calculate”** button to automatically compute totals and subtotals contained in the Under 18 Arrest Form.

11. Click the “**Submit**” button to submit report.
12. You will be prompted with the message “*Are you sure you want to save this form into the UCR database?*” Click “**OK**” to submit or “**Cancel**” to return to the form.

13. If the Under 18 Arrest Form was submitted without error, the message “*Your Document has been saved!*” will appear and you can continue to the next form by clicking “**Click Here**” and selecting the next form from the table at the bottom of the Return – A Form. If you see a message indicating it was not successfully saved, note the reason given and click the “**Click here to return to your Under 18 form**” link. Make the necessary changes to your Under 18 Arrest Form and resubmit.
